HOW TO DOODLE A FROG

When doodling *Frog*, repeat this chant: “Eyes on top, mouth all across.” Focus on these powerful words, and you WILL doodle *Frog*. Look at Figs. 1, 1b, and 1c. All have eyes on top, and a line/mouth that goes all the way across. All are *Frog*.

You can include big loops on the side for *Frog*'s amazing jumping legs, and little sticks in the front for the other, boring legs (Fig. 2).

We just love turning different shapes into *Frog* (Fig. 3).
